BERRIES 20  
*Fresh Strawberry, Raspberry, Cranberry, Orange, Red Cane*

## CO<sup>2</sup> by FEVER TREE

ELDER FLOWER 18  
*The delicate and sweet flavour of English elderflowers is perfectly balanced by the soft bitterness of quinine from the Democratic Republic of Congo.*

AROMATIC 18  
*The sweet, spicy flavour of our aromatic tonic water, blended with Jamaican pimento berries, Madagascan vanilla and angostura bark.*

ALE 18  
*A distinctive blend of 3 types of ginger from Cochin, Ivory Coast & Nigeria with added complexity of citrus notes and an overwhelmingly clean finish.*

SODA 18  
*A silky & smooth texture created by using the finest spring water which has a low mineral content and a high level of carbonation with an exceptional clean finish.*

## THE TEA DEPOT

*A wide selection of tea handpicked from the finest tea plantations, blenders and producers bringing rich, aromatic and exotic blends into your teacup, guaranteeing a taste of satisfaction for even the most refined taste buds. Apart from the trusted and sophisticated taste of traditional blends, The Tea Depot challenges convention to craft creative and tantalising blends that add an intriguing twist to its selection of teas. With a firm belief that no two tea are the same, The Tea Depot is on the constant search to create new and harmonious tea blends, infusing fruits and flowers to enhance their tea flavours. Tea is a beverage meant to be enjoyed with an appreciation for its luxuriant, elegant character with a touch of sophistication and a deep intrinsic sense of gratitude for nature's great offerings. The Tea Depot encapsulates the quality of excellent tea originating from all over the world, coupled with the mastery of tea experts from Germany who continue to spur innovative and creative blends suited for taste profiles of all kinds and crafted with state-of-the-art technology which ensures an excellent blend every time.*

TRADITION 10  
*A well-composed blend of black leaf teas from all over the world. Made from traditional recipe and a perfect delight for all lovers of black tea.*

CHAMOMILE 10  
*Chamomile is fairly common, especially good qualities can be found in the South-West of Germany. The infusion is wonderfully aromatic!*

MOROCCAN MINT 10  
*A refreshing blend of premium gunpowder green tea with peppermint leaves and natural mint flavour. A classic green tea!*

GINGER LEMON 10  
*An organic production non-flavoured herbal blend that gives the pleasant aroma, citrus scent of lemon mixed with scent of ginger. This tea provides a relaxing opportunity to pamper your senses.*

OOLONG 10  
*The rough, typically brown leaf of this semi-fermented Oolong from Taiwan creates a pleasantly smooth flavour with a slight touch of honey.*

MELON e PEACH 10  
*A mild, naturally aromatic tea due to the sweet aroma of rose buds, cranberries & chrysanthemum blossoms. A sweet peach-melon after taste.*
